Subject:-Rent for furniture, etc., supplied in the Residential quarters of Hajee Sir Ismail Sait Gosha Hospital, Bangalore.

Sir,

S. 151 With reference to your letter No. 7364, dated the 25th. August 1925 (1926?) I have the honour to inform you that in the General Hospital, Madras, no rent is charged for the articles of furniture and crockery supplied at the State expense to the Nursing Staff and the other residential quarters are not provided with any furniture. (247-1919)

In the Government Victoria Hospital for Women, Madras, the Residential quarters occupied by the Officers of the Provincial Medical Service who enjoyed the privile of free residential quarters before 29th. January 1923 are allowed the free use of furniture so long as they continue to occupy the appointment. After the 29th. January 1923 this concession has been withdrawn and they have to pay for it. In the Government Hospital for Women & Children, Madras, the residential quarters attached to that hospital are not furnished and hence no separate rent is charged for furniture etc. In the Government Ophthalmic Hospital, Madras, only Nursing Staff are supplied with furniture and crockery at Government expense and no rent is charged. It appears therefore that no special exemption is made in Madras.

Rent for furniture, etc., supplied in the residential quarters of Hajee Sir Ismail Sait's Cosha Hospital, Civil and Military Station, Bangalore.

Sir,

With reference to the correspondence ending with your Memorandum forwarding a copy of your letter No.1666-S., dated the 24th September 1914, to the Director General, Indian Store Department, I have the honour to state that furniture and electric light have been supplied in the residential quarters attached to the Cosha Hospital and that the Key and Accounts Officer, Bangalore, has pointed out that according to Supplemental Rule 45(f), adequate additional rent should be charged therefor and recovered from the occupants of the quarters. The Residency Surgeon, Bangalore, recommends that the occupants may be exempted from the operation of the rule referred to with regard to the payment of rent, as they are compelled to live in the quarters in the interests of the hospital. I forward a statement showing the names of the occupants, their pay and allowances, and the expenditure incurred on furniture and electric light installation. The Residency Surgeon states that on his enquiring about the practice in similar institutions in Madras it has been ascertained that no rent is charged for the articles of furniture, etc., supplied at Government expense to the nursing staff. The Lady Doctor pays for the electric current consumed in her quarters and she will be asked to pay rent for furniture supplied to her.

Subject:-Upkeep and necessary repairs and Maintenance of Electric Installation to Gosha Hospital

Dear Evans-Gordon,

As no provision appears to have been made by the A.C.R.E's Department for the maintenance of the Gosha Hospital, which is a Government of India Institution, the Municipal Executive Engineer, Civil & Military Station, has not had the hospital formally handed over to him for upkeep and necessary repairs and maintenance of Electric Installation etc., He is prepared personally to undertake this work, defraying the expenditure from the grants provided for the Bowring & Lady Curzon Hospitals, but awaits the formal sanction of the Hon'ble the Resident. Would you very kindly obtain and communicate to me this sanction.

Yours Sincerely,

Subject:- Recovery of contribution for the services rendered t the Municipality by the Lady Asst. Surgeon in charge of the Gosha hospital.

Sir,

I have the honour to invite a reference to para 2 of this office letter P&A Bang 15-98-1303 dated 5th March 1926 on the above subject, and to state that the recovery from the Municipal Commission should, it seems, be made as stated in para 2 of the above letter for the following reason. Your letter 3161/24 1919 dated 9th April 1926, allowing the Municipal Commission to pay 1/4th of actual salary of the Lady Doctor instead of the sanctioned cost together with the pensionary contribution as required in Fundamental Rule 127, was apparently based upon the delegation to sanction remissions contemplated in Fundamental Rule 127 (c). This power has to be exercised only in cases where the actual expenditure in any period falls considerably short of the sanctioned cost, vide entry 32 of Appendix II to Supplementary rules, but in the case in question such a condition does not seem to be fulfilled. I would therefore sugges for the consideration of the Hon'ble the Resident the desirability of issuing orders to have the recovery effected in accordance with para 2 of this office letter referred to above with

with retrospective effect.

The favour of early orders are requested.

previous appointment in the Lady Curzon Hospital carried a pay of Rs 170-16-250. She was getting Rs 218 in November 1915. She had therefore a good rise. It is not clear why the analogy of Lady Assistant Surgeons in Madras should be made applicable to this Special appointment. It is now difficult to balance the budget of the Assigned Tract and it is for consideration whether any additional burdens, however small, should be undertaken unless absolutely necessary.

I do not think we are bound by Madras in the matter in any way. It is only I think to consider a rise of salary for widows
